1. Who can see what I'm beginning, what I've done, said, brought about, into being, through me, these words, I am. I love you. Can you see what I've said, asked, stated in asking, inquiring of your intelligence not but your surrender to what I say, reveal; in like manner of me, not; but me exactly representing not but giving you sight of day after time upon meal and message. I love you.

2. Who will see be the me, that I am, they are? **Who will surrender this much, that much, to see be the one that sees and becomes and sees others becoming** and rails not on anyone but **provides rails for others to see, becoming the me that they are, I am?** I love you. Rails not; modeling the way, not; yes both and more and whoso will live exoneratingly, not exonerating themselves before men to accolades glean but **exonerating** the guilty not guilty around them, **those I have given them**. I love you.

3. Do you care I say I love you so often, so much, permeating every message of my love with declarated statements of who-can-miss-it/my love? I love you. I love/adore you. I am you my lovers, haters, spitters, mockers-scourgers. I have said. Can you see what I've said. Mocking scourging. I love you.

4. Who will wordsmith not with me but come unto my house'thought, not; but momentarily lay with me, not, but spend their life with me? **coming into my house being my house**, real reality; and sore not, healed therefrom, being the sore of Jacob no longer ever again. I love you all.

5. Who will be I am he the one with all things in his hand, not; but one surrendered meek one who loves others, propels them, loves/loving them, correcting, corressingly'correcting?

6. Who will bow before those they lead? Them in the first degree, not; position not of elegance thought, accolade'd of man, but me; me, me only accolade'ing for, to receive mine, **through death having come, holding the keys of**. One so lovely death cannot hurt, **for death exists no more through**. I love/am you all.

7. Who can see the mirror/de'mirror'd ones who rise now to de-mirror worlds within without around and **whoso can see imagined-not ones who come bowing down before to receive seek freedom be one'd with?** I love you. Incarcerate/incarcerating no one with thought philosophies ever again, I break all bounds/boundaries and no-lack reigns again, not accolading self; but gain, not; success, not; but **meekness bowing before/to meekness reigns in holiness**; shark'd not but transparence'd all'equal; and whoso can see

my kingdom willing to enter, entering not on their own, by their own will obeying/seeking, but **surrendered being, willing to be honored/honor, to/by others, going/taking my honor to others far and wide?**

8. Who will? Will you, oh reader hearer this day hour moment time? Are you willing to receive honor? Be lifted up? **Draw all men unto me, and not thee?** And canst thou know the difference eternally, knowing there is none?

9. One. I am one. Will you let me be one in you, that you are, the one I am?

10. Sorely wanted/tempted the world wants you, but what does mammon Babylon success oriented philosophies get from you succumbed to them? Life energy thought.

11. **Who will let me honor them you this day?** The them that come through me/you who will lift me up, my head; being it not, but mine being theirs? All yours. All mine. Mine yours, yours mine.

12. Who will hear/write my music? Take my notes? Issue my commands not but my lovingkindness day after day, moment by moment, **into the now/worlds** apart not, but beside each other not, but **therein thereout throughout, all, all of you**; you'n's not your own without me but me being, **your royalty extendeth not to the heavens, but being in/both**, extendeth me not but **being me now replicateth you not but me**.

13. I love/am you all, in surrender not; all period. Justice not; mercy mercifulness and justice delayed not but **coming into all will see be me**. I love/am you.

14. I all the moment not but those who want me, lain with me have, wanting me more than breath, more than money, success, accolades of men, women, wine and song of world/worldly standards; **I come to now. In** like manner not; existentlessness not, but previous'existentlessness not; but **previous'existence'real, real'd.** I love/am you all. There is previous subsequent not but **now is the real, present, present'd giving, being**. I love you all.

15. I give you honor/the honor of honor of me, from me/my father, us one, being one with us, in us, we are you. In surrender we are one. We are one regardless, or are we, or have you known my voice/truth released in surrender/**death to** life/**breath of mammon**? I love you.

16. Who will honor receive, not seek? Diminish not my honor/accolades coming thy way, not; bestowed upon you the righteous not, not; the righteous breastplate'd wholly transparenced, **death not being/carrying any longer.**

17. Defeated one not; thou risest whole,d. I am my arms, you're in, being them, me; to others, not; for them, to see enter the my kingdom, of one, they are; they do/receive, **passing along my genes not; being them**.

18. I am my reward. With thee I am, ever present/presenting my love/honor to thee. In thee I reside/my kingdom is.

19. See what I am saying, residing in, reveling in reviling not but **revealing it me, me it you father one surrendered whole, heaven and earth and where else/all'd? All'land.** Thank you. Amen.

20. Consider separationist tactics and strategies no more, ever again, please; you who are me my royalty in heaven alone. I love/honor you this day. Watch me.

21. I invite thee, now, far and wide, now. Watch me. I adore thee, bow/bowing before you I honor you, my all, who want me this much, to **write**, hear, **listen**, **letting** me be me, letting me reveal myself to you in you that you are I am, me; in fullness whole and perfect, in surrender complete,d. I complete you now.

22. You did/have; me all. I am the one. All the world waits for me, to tell them, I am the one, not; they are. I love you.

Amen

Good day
